Dear members of the OPBF,

The OPBF officially ask for your cooperation in the preventive measures against the Swine influenza.

When a boxer who belongs to your jurisdiction is planning to fight abroad, please take a medical examination of the boxer and his traveling team 1 week prior to the scheduled fight, and report the result to the OPBF and the representative of the opponent.

If the doctor diagnoses that any members has, or possibly has Swine influenza, or there is no report from the representative of the boxer, the fight must be canceled.

Your kind understanding and cooperation will be greatly appreciated.

Please note that these measures will remain in place until the threat of swine influenza has been sufficiently seduced.

Best regards,
OPBF and JBC
Executive Secretary
Tsuyoshi Yasukochi
